FOURTEEN YEARS OF CARING

A few months ago a former patient of The CARE Clinic walked in and gave the staff a poem he had written to show his appreciation for the care they had given him. It read: "Health care at its best, I went in not knowing my east from my west, but before I left, I did pass my test. Given a scale of one to ten, I will go there again and again!"

One of the main reasons The CARE Clinic delivers "health care at its best" is Katheryn Jenifer, Clinical Director. For fourteen years she has offered her professional expertise and her compassionate spirit to ensure each patient is given excellent care and treated with respect. Katheryn is retiring, and she will be greatly missed by the staff, the volunteers, and the patients.

Katheryn first found out about the clinic and its mission to treat the uninsured when she was working at Cape Fear Valley Medical Center. Cathy Ory, the current Executive Director of The CARE Clinic, encouraged her to become a volunteer. After several years of volunteering, Katheryn was touched by the numerous patients who had felt helpless until they found the clinic. "I truly felt called to work at the clinic and suggested they hire me as Clinical Director," stated Katheryn. That leap of faith led her on a career path that has been extremely rewarding both to her and to the many patients she has encountered. "It has been a good feeling knowing we do our best for the patients," said Katheryn. "I have enjoyed trying to help the medically underserved—those who have no other place to go."

As Clinical Director, Katheryn was in charge of all medical personnel, pharmacists, lab technicians and nurses who treat the patients. She also coordinated the volunteer schedule for all clinics held. Rachel Violette, a volunteer, states "I was always impressed with Katheryn's calm and competent manner. No matter how hectic the clinic became on a busy night, Katheryn

could always manage any problems with ease."

"It's the patients I'll miss the most," Katheryn said. "I'll also miss the many dedicated staff members and numerous volunteers—they're the best volunteers anywhere!" She described her job as fun and liked the fact her job was not stressful. "Everyone works together to give patients the best health care possible." Volunteers enjoyed working under Katheryn's supervision because she always made them feel valued and created a stress-free atmosphere.

Another aspect of the clinic Katheryn loves is the appreciation the patients show. She recalled when a patient received a Worker's Compensation check after being treated. The patient returned to the clinic with a check for several thousand dollars! Another patient who was cured of cancer because of the clinic continues to return for treatment and has shown constant appreciation. Other patients show their thanks with homemade cookies, notes, and hugs. These gestures make working at the clinic a pleasure for Katheryn.

In the last fourteen years, Katheryn has witnessed a great deal of change. The clinic grew so much it built a new clinic specifically designed for its patients' needs. More specialists now come to treat patients. Partnerships with Methodist University, Fayetteville Technical Community College, and Fayetteville State University have brought many students to the clinic to train. Katheryn has been responsible for these clinical hours and could often be seen working one on one with them to give them community health experience. She also worked with high school students doing community service projects.

Katheryn plans to enjoy retirement spending more

time with her family, including her seven grandchildren, and traveling. She also intends to seek out new volunteer opportunities. But not to worry, Katheryn will still be seen at the clinic since she plans to continue to volunteer here!

Katheryn has given so much of herself as a dedicated, compassionate, competent health care professional. Throughout her fourteen years as Clinical Director, she constantly demonstrated that this, indeed, was a “calling” for her. “I felt this was what I needed to do. So many people helped me along the way, and I wanted to help others too,” offered Katheryn. The clinic will always be appreciative that she listened to her inner voice and came to work at The CARE Clinic. With her credentials and expertise, Katheryn could have chosen to work anywhere—but she chose The CARE Clinic and we are so thankful that she did!

UPCOMING EVENTS, MARK YOUR CALENDARS!

EVENING OF CARE

The 18th Annual Evening of CARE Dinner held on Saturday, February 7, 2015 was a huge success making a net profit of **\$63,822!** A variety of options were available to the 661 guests with some hosts developing their own menu and others simply gathering their guests for fellowship and hors d'oeuvres. One hostess came up with an innovative idea of having a covered dish dinner a few weeks before to benefit this event. She invited 15 friends and neighbors asking them to contribute whatever they wished and raised \$721.

New this year was a dinner at Gates Four Golf & Country Club, which was attended by 41 people. A raffle of 5 donated items raised an extra \$625 for the clinic! Gates Four donated the food and the location. The Gates Four neighborhood looks forward to their Evening of CARE dinner next year being even bigger and more successful.

The Evening of CARE Committee did a fantastic job raising \$26,100 in sponsorship while also securing 38 host homes! Committee members are: Molly Guy and Marilyn Kiser, Co-Chairs, Jamie Dickerhoff, Brenda Edge, Anna Haley, Martha Jessup, Jo Beth Johnson, Edwina Kyle, Amanda Nimocks, Jo Ann Ruff, Jan Smith and Martha Wood. Our heartfelt thanks to all of them for giving up their time in order to give back to their community!

We appreciate the generous donations from hosts, guests and donors. We extend a gracious thank you to Snyder Memorial Baptist Church for allowing the meals to continue to be prepared at their location and for the caterer, Jelisa Montaldo and her staff. Very special thanks to our sponsors whose generosity helps us continue to provide free quality health care to uninsured, low income adults in Cumberland County:

PATIENT THANKS DONORS

Thomas and Elizabeth Wooten are long time and very generous supporters of The CARE Clinic. When we announced our Named Gift Program, they were the first ones to sponsor a room. Their names are proudly displayed on a plaque outside the first exam room on our medical hall, and their picture hangs on the wall nearby.

Recently Mr. Wooten made a special trip down to the clinic on a rainy day to share a story with our staff. He and his wife had brought their dog to the vet. The young lady who called them back to a room kept looking at their name on the paperwork she held in her hand, and looking up at the couple. Suddenly she gave each of them a "big bear hug." Naturally they were very surprised and confused so the woman explained she is a CARE Clinic patient and had seen their names on the plaque. Our patient thanked them profusely for supporting The CARE Clinic and told them The CARE Clinic had saved her life. The Wootens were so touched by her appreciation, he had to come down and tell us.

We always try to share patient stories with our donors, but nothing we can say will ever have the impact of a donor hearing directly from a patient how their support made such a difference in their life. Thank you, Mr. Wooten, for taking the time to share your experience with us. Thanks also to the unidentified patient who recognized our supporters and provided the best testimonial possible.
