## 16TH ANNUAL WINE & BEER TASTING

New and exciting things are being planned for our “Toast of the Town” Wine Tasting and Silent Auction to be held on Thursday, May 5, 2016! To begin with, the new location will be The Crown Coliseum ballroom, which has much more space than previous locations. The addition of local beer micro-brewery vendors, which has been discussed since last year, is now a reality. Several vendors are now being approached, with the new “World of Beer”, being the first to commit. Another new feature will be a booth by Anstead’s Tobacco Company, who will be bringing a selection of their cigars. We are now in the process of securing sponsors and silent auction items for this exciting, updated community event. We would appreciate your consideration to support it by becoming a sponsor. If you are interested, please contact Gloria at [projects@thecareclinic.org](mailto:projects@thecareclinic.org) or 910-485-0555 for the different sponsorship levels available. Tickets will be \$50 per person in advance or \$55 at the door and can be purchased online at [www.mkt.com/the-care-clinic](http://www.mkt.com/the-care-clinic).

## VOLUNTEER SPOTLIGHT - TIM GLANCY

We thought it may be interesting to occasionally highlight some of our volunteers. There are so many wonderful people who give of their time to make giving care to our patients possible. It is difficult to pick one person, so we will have to make this an ongoing feature.

At The CARE Clinic, we often struggle to get enough volunteers in the dental assistant position. One day Tim Glancy came to the clinic to inquire about the clinic and volunteering and after taking a tour, he agreed to volunteer. He worked with experienced volunteers during several evening clinics and in no time he was working independently.

The clinic purchased a Nomad Pro 2, a new handheld x-ray device and we were trying to determine how to effectively train the volunteers. This concern was expressed to Tim in passing one evening during a clinic. He took it upon himself to review the educational materials available and practice with the device in “safe mode” until he was comfortable with using it to take x-rays. He came in early for the next scheduled clinic and began using the device to take x-rays. Over the next several months, Tim acted as a preceptor to others, teaching them how to use the Nomad Pro 2 and he continues to precept new volunteers.

Tim is very respectful and compassionate with his patients. Tim has been extremely professional in all aspects of his work and adds to the quality of care given to our dental patients. We are very grateful for his generosity in volunteering his time here at The CARE Clinic.

## PLANNED GIVING CORNER

Imagine what it would be like to be one of the many Cumberland County residents who lack health care insurance. Basic health care is a luxury, something that is too expensive for many people and therefore often put off until the need is critical. The cost of providing care to these individuals in the hospital emergency department is hundreds of dollars. The cost of providing them care in The CARE Clinic is about \$75 per person – what a savings to our patients.

Seventy-five dollars per person is not a lot, but the money has to come from somewhere. The CARE Clinic totally depends on your support. We accept no city, county, state, or federal money, nor are we a United Way Agency. We provide care using your donations. Won't you consider being part of The CARE Family by supporting this wonderful mission of providing care to the working poor of our community?

In addition to regular donations, planned gifts are a wonderful way to leave a lasting legacy to help provide needed medical care to the working poor of this community for years into the future. Planned gifts range from a Bequest (one of the most common deferred gifts) at death, to outright gifts and various types of trusts that can be prepared by legal advisors. Please consult with your legal advisor and see if a planned gift to The CARE Clinic is something you would like to do. Your compassion and love can continue to provide for the working poor of this community for years to come!

## STUDENT SETS UP FLU SHOT FUND FOR OUR PATIENTS

My name is Raiba Soada and I am a senior at Terry Sanford High School.

I have always wanted to make a change in the community on my own. I know that many people in America cannot afford healthcare, so I decided that this is the problem I should tackle on my own. I have been saving up spare change and my allowance for about 4-5 years. This year, after I had raised a total of \$1,255, I approached The CARE Clinic about creating a flu shot fund for their patients. I know that the clinic is a non-profit organization that is run on donations, so I hope the funds that I've provided will help many people get the vaccinations they need to stay healthy, without straining them financially. In the future, I hope to raise even more money, so I can finance medications and procedures as well. This is an ongoing project, and I want to consistently build it up. I will continue to work on this even after I enter college next year.

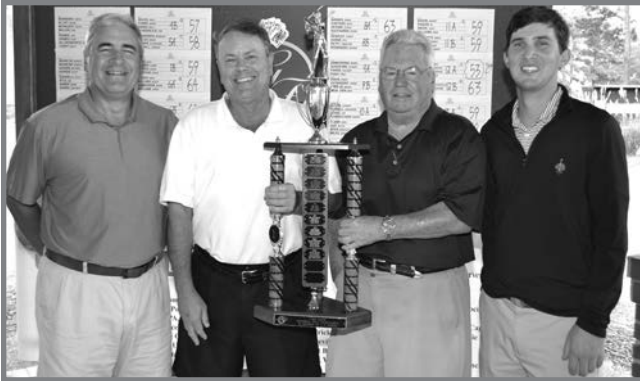

Sincerely,  
Raiba Soada

*By setting up this Flu Shot Fund for the clinic, Raiba will be helping over 125 people to get their flu shots here and therefore have a healthier life. Her father, Dr. Abu Zahed Karim, has volunteered at The CARE Clinic in the past, but now has his own practice in Lumberton.*

# WISH LIST DONATION PROGRAM

Donations from our wish list are down and The CARE Clinic needs your help! An easy way to help is to donate an item or two from the Wish List you will find on the back of our newsletter. These are non-medical items that are easy to find and are greatly appreciated. Each donation helps us preserve our limited funds for direct patient care supplies.

The next time you go shopping please consider adding a Wish List item to your cart. For example, right now we are in great need of bathroom tissue. Many times you can find specials that are buy one, get one free. Please consider donating your free item to our clinic as we provide free care for uninsured adults in our community. You could even make this a group project for

your church circle, vacation bible school class or youth group, scout troop, or Sunday school class. This is a wonderful way to teach our youth that many people in their very own community have much less than they have and it would be a tremendous help to us. Call the clinic at 485-3710, if you have a question or to find out what our most urgent needs are. Thanks so much for supporting the clinic through this program!

## 2015 HOLIDAY CARD DONATION

The CARE Clinic's Holiday Card Program provides a perfect opportunity to give a gift that reflects the real meaning of the season by making a donation to the clinic in honor or memory of someone. Specially designed Holiday cards announcing the donor's "Gift of CARE" were mailed to the honorees. We have many dedicated volunteers who help by addressing all of the cards. This year **81** Memorial Cards and **462** Honoraria Cards were sent out. The CARE Clinic's patients will benefit greatly from these thoughtful gifts which made a net profit of \$8,981.86 this past holiday season. Our gracious thanks to the people listed below for choosing this wonderful alternative to traditional holiday gift giving. We appreciate your support and wish you a blessed and healthy new year!
