MIRACLES HAPPEN AT THE CARE CLINIC

“Michael” is a new patient at The CARE Clinic. He had not been feeling well for quite a while and knew he had to do something about his health. Although a diabetic, Michael had not been taking any medication for his condition for 2 years because he didn’t have the money to go to a doctor or pay for his medication. Then someone told him The CARE Clinic helps low income patients without insurance, so he called to schedule an appointment.

Michael initially was seen during an evening clinic and was referred to Dr. Eugene Wright, who staffs the afternoon diabetic clinic every other week, alternating with his fellow retired physician, Dr. Henry Izurieta. Labs were run on Michael and his glucose was found

to be extremely elevated. Dr. Wright told Michael his high hemoglobin A1C readings “set a new record”.

Michael was immediately started on insulin and a few days later Dr. Wright called him to see how he was doing. Michael reported it was like “night and day” in the difference between before and after he began the insulin. He told Dr. Wright he believes he had experienced a miracle. He feels like a different person now, ready to live life to the fullest. Michael is just one of the many wonderful success stories happening every week at The CARE Clinic. It is only because of the generosity of our faithful donors and volunteers we are able to continue to see miracles unfold at The CARE Clinic.

PUTT-PUTT TOURNAMENT DESIGNATES PROCEEDS TO THE CARE CLINIC

Putt-Putt celebrated their 60th anniversary with a two-day Legends Diamond Jubilee Cup at the Putt-Putt Fun Center in Hope Mills. Professional Putters Association members came from all around the country to participate in the special anniversary festivities. The event was preceded by a relaxed Pro-Am Tournament on Thursday, June 19th where the pros graciously shared their expertise with local Putt-Putt fans. In recognition of the 60th anniversary, The Professional Putters Association wanted to do something special and decided to give back to the community where Putt-Putt was founded. The CARE Clinic was honored to be selected as the local charity to benefit from the event. Before the Pro-Am tournament began, Bill Kirby, Jr., a former Putt-Putt champion, and a Putt-Putt representative presented a check for \$5,000 to Louis Cox, President of The CARE Clinic Board of Directors.

The pros then teamed up with over 30 local Putt-Putt fans for a friendly competition. Everyone had a great time...except for the thunderstorms that delayed and eventually cancelled the play earlier than expected. Our gracious thanks to Putt-Putt, the sponsors, players, and PPA members for choosing The

OPERATION INASMUCH BLITZ DAY

The CARE Clinic was blessed by several groups doing projects for the Operation Inasmuch Blitz Day on April 5th.

The High School Youth Group at Westminster Presbyterian Church spent their Saturday morning picking up trash and making our property look clean and refreshed for spring. First Baptist Church's Public Recognition Team honored us with a special visit on Monday. The ladies held a brief prayer service, sang hymns, and delivered gift bags they had prepared for our staff and volunteers. The packages included lots of snacks and a booklet with prayers. The cover of the booklet said "Special Thanks to a Caregiver!!! We appreciate your efforts on behalf of those who need your help." Our volunteers really enjoyed receiving the gift bags with the special note recognizing their service. Snyder Memorial Baptist Church again made their signature "Bunny Bags" for our patients. The white bags are cut out

to look like a bunny face with tall ears on the front and a cotton tail on the back. Our smiling patients love getting their Bunny Bag as they leave – especially since they are filled with Easter treats!

14TH ANNUAL WINE TASTING

Our wine tasting and silent auction held on Thursday, April 24th at The Holiday Inn Bordeaux truly was the "Toast of the Town" with 338 people in attendance. Steve Zahran and Mutual Distributing brought in even more vendors this year, providing great selections of wine from all around the world. Mark Moses and his staff from Carrabba's Italian Grill again cooked and served delicious food for our guests. Mark Pezzella and his Five Star Entertainment crew did a great job with the lighting, sound and DJ. Thanks to everyone's combined efforts, this event made a net profit of \$25,250.

Our hardworking committee members were: Cissy McPhail and Tara Brisson Hinton, co-chairs; Stuart Augustine, Janet Carter, Ginny Deffendall, Anja Gillespie, Deborah Guilfoyle, Mandy Hurley, Brad Laub, Janice McFadyen, George Quigley, Rachel Violette, and Steve Zahran. We could not have put on this event without our wonderful CARE Clinic volunteers who always help when asked!

Our thanks to Nick Poulos of Superior Bakery for the tasty rolls, our volunteer, Scott Donaghy for his marvelous macaroons and mini-cheesecake squares, Richard Kugelmann and his FTCC Future Culinarians for assembling the cheese and fruit trays, John Melvin of Flowers on Main in Hope Mills for the gorgeous floral arrangement, JEB Designs for the plaques for our major sponsors and Gordon Johnson Architecture for their great design and production of our two Sponsor Boards.

We extend a gracious thank you to all of our generous sponsors, silent auction donors, committee members, event volunteers and, of course, to all of you wonderful people who support The CARE Clinic by attending our event. Keep coming back and tell all your friends, business associates

and co-workers! Please go to www.thecareclinic.org/winetasting.php to view pictures from this year's event and select "2014 Wine Tasting Sponsor Board" to see all of our generous sponsors.

Next year's 15th annual "Toast of the Town" has already been booked for the Holiday Inn Bordeaux for Thursday, April 30, 2015. Mark your calendars so you don't miss out on this annual event that keeps getting better each year!

TODAY'S GOOD SAMARITANS

There was a man traveling the road from Jerusalem to Jerico who fell in with robbers, was beaten and left for dead along the road. Others passed by, but one, a Samaritan, stopped, administered aid and provided follow up care. He showed his love for his neighbor by his actions. We call him the Good Samaritan.

Today in Cumberland County, those in need of medical care are served along the road into Fayetteville at 239 Robeson Street. At The CARE Clinic modern day Good Samaritans show their love for their neighbors by providing medical, dental and follow up care to the low income, uninsured sick adults of our community. These Good Samaritans are donors, receptionists, nurses, medical staff, dentists, dental assistants, pharmacists, pharmacy assistants, lab technicians, specialists, social workers and other support staff. All give of their time, talents and treasure to serve their neighbors.

If you are one of the Good Samaritans listed above, thank you. If you would like to join us, please contact the clinic.

BOARD OF DIRECTORS FOR FY 2015

The CARE Clinic Board of Directors is pleased to announce the installation of officers for the new fiscal year beginning July 1: Cissy McPhail - President, Joy Miller- President-Elect, Herb Bryan -Treasurer and Jean Harrison - Secretary. Louis Cox moved to the position of Past President after successfully completing his term as President.

Congratulations and welcome to new Board members; Tara Brisson Hinton, Steve Milburn and Susan Miller and to returning members; Carrie Carroll and Brenda Edge. We appreciate all of you for your willingness to serve as members of our board and look forward to working together as we strive to fulfill our mission in service to the community.

We extend our sincere gratitude to Brenda Booth, Steven Brewster, Vicki Champion, Carolyn Lancaster, Karen Mantzouris, Bob Tygh and Joe Wunderlich who are rotating off the board this year after successfully completing their terms of office. We thank each of you for sharing your time and talents serving as a member of our board. We are grateful for all you have done and continue to do to support the mission of The CARE Clinic

WISH LIST DONATION PROGRAM

The CARE Clinic can use your help! Donations of all kinds are down. An easy way to help is to donate an item or two from the Wish List you will find on the back of our newsletter. These are non-medical items that are easy to find and are greatly appreciated. Each donation helps us preserve our limited funds for direct patient care supplies.

The next time you go shopping please consider adding a Wish List item to your cart. For example, one item we can always use is canned soda. Our volunteers enjoy it while they have a meal that has been provided by

one of our partner churches. Many times you can find specials that are buy one, get one free. Please consider donating your free item to our volunteers who are sharing their time and talents to help provide free care for uninsured adults in our community. You could even make this a group project for your church circle, vacation bible school class or youth group, scout troop, or Sunday school class. This is a wonderful way to teach our youth that many people in their very own community have much less than they have and it would be a tremendous help to us. Call the clinic if you have a question or to find out what our most urgent needs are. Thanks so much for supporting the clinic through this program!

COMBINED CAMPAIGNS

The CARE Clinic has been approved for participation in the 2015 (Fall 2014) Combined Federal Campaign. Our permanent designation code is CFC # 91950. We greatly appreciate your donations to the clinic and hope that you will plan to help us in this fall's campaign. Please contact us at 485-0555 or care@thecareclinic.org if you need any additional information.

The CARE Clinic has also received approval to participate in the State Employees Combined Campaign. We have participated in the Combined Federal Campaign since 1995 and the State Campaign since 2011. We ask you to consider designating The CARE Clinic #3746 as the charity of your choice if you are a state employee and contribute to the combined campaign

Named Gift Opportunities

The CARE Clinic's Named Gift Opportunity Program that was begun in 2008 to help pay for our new building is doing so well that we only have 1 area left for sponsorship! The Dental X-Ray Room can be yours for a tax-deductible donation of \$10,000. The room may be in honor or memory of someone or a donation from you, your practice, company or business. A plaque will be placed on the

wall outside of your room. Won't you please take this last room, so we can close out this giving program? Please contact Gloria at projects@thecareclinic.org or 485-0555 or if you are interested in this giving option. You may also download a form on the Named Gift page by clicking on this link www.thecareclinic.org/named-gift.php. Thanks for your support of this program!

STAFF CHANGE

The CARE Clinic has been blessed with a very stable staff for years so it is with mixed feelings we announce a recent staff change. Marie Amero, our Thursday night Pharmacy Technician, began volunteering with us in February 2001 before joining the staff in March 2005. Her husband, Tim Ritter, accepted a faculty position at the Naval Academy in Annapolis, Maryland for three years, so they moved to the area in June. Although we are saddened to lose such a dedicated and efficient employee, we are excited about the wonderful opportunity for Marie and her husband. We wish them both well and hope Marie will consider returning to our "family" when they return to the area.

FOOD PROVIDERS NEEDED

The CARE Clinic Board of Directors meetings are held at noon, usually the 4th Thursday every other month. We have lunch for our board, since many of them only have a certain amount of time they can be away from work. We need someone - an individual, business, restaurant, church, civic organization, school club, or anyone else who would like to do a community service project, to provide this donation for us. The meeting dates we need a meal provider for are: October 23 and December 18, 2014. The meals should be for 30 people. They consist of a main dish, vegetable or salad, bread and fruit or dessert, which can either be prepared by someone or picked up at a local store.

Also, we still have not found a permanent evening clinic food provider for the 4th Tuesday of each even month. One local church has been filling that position on a temporary basis, but we need a church or group to commit to provide the food for the months of February, April, June, August, October and December of each year. Please seriously consider taking on this very important ministry for the clinic and if this is something you can provide, contact Gloria at 485-0555 or projects@thecareclinic.org.
