Accreditation

The CARE Clinic has been awarded Level One Accreditation by the North Carolina Association of Free Clinics. Effective May 4, 2011, this accreditation will remain in effect until July 1, 2014.

The NCAFC Accreditation Program is a voluntary process and a valuable opportunity for member free clinics to improve and enhance clinic programs and services by ensuring they meet compliance standards shared by similar organizations such as a private physician practice. The accreditation process involves three steps: self-evaluation, validator review, and decision by the NCAFC Accreditation Committee.

The award was achieved through the hard work and perseverance of Jim Kerchmar, Board Member, and Jennifer Agee, a Health Administration student from Methodist University. They spent the better part of a year assisting Cathy Ory, Executive Director, in assembling the documents required to show The CARE Clinic's compliance with the accreditation standards.

Psoriasis Cleared

When Diane first came to The CARE Clinic last August, she had been suffering from severe psoriatic arthritis for 7 years. Only 40 years old, she was unable to work due to the constant pain in her ankles, knees and hands. The volunteer physician in our evening clinic prescribed some medication and she was given a follow up appointment for the following month. The return exam showed little improvement so she was referred to our monthly Dermatology clinic.

Dr. Shereff, our wonderful volunteer dermatologist, reviewed Diane's medical history and the medications she had unsuccessfully tried. He arranged for

Diane to be enrolled in our Medication Access and Referral Program to receive a new, injectable, medication at no charge from the pharmaceutical company. Diane was an ideal patient, following doctor's orders and complying with all requests for the paperwork required to file the application for the medication. The application was approved and she started the new medication in March. Within a month, Diane's condition had improved dramatically. The medication is not only clearing her skin, it is giving her a new outlook on life.

Thank you to all our volunteers and donors who enable The CARE Clinic to make such a difference in the lives of our patients.

Wine Tasting

Exciting happenings abounded at this year's 11th Annual "Toast of the Town" Wine Tasting and Silent Auction held on Thursday, April 28th at The Holiday Inn Bordeaux. Mark Pezzella of Five Star Entertainment donated the DJ, sound and some colorful up-lighting making for a nice ambiance for our guests. He also brought a photo booth for guests to dress up and have a picture to take home as a memento. Thanks to everyone's combined efforts, the Wine Tasting and Silent Auction made a net profit of \$32,316.

Steve Zahran of Mutual Distributing brought in nationwide wine vendors for the event. Without Steve and TGIC Importers, this event would not be possible. The vendors presented a diverse sampling of over 80 wines from Australia, Germany, Chile and many other countries. Grapes and Hops and The Wine Café, the newest wine shop in the area, were set up to help our guests with their wine orders.

A beautiful antique mantel clock, handmade jewelry and pottery, delicious wines, spa and salon treatments, flowers for a year and themed baskets were just a few of the many items available for bid at the silent auction. A special anonymous donation of a diamond and gold bracelet went to the highest bidder for \$2,500 which brought the total raised from the auction to \$8,225 for the clinic.

Our hardworking committee members were: Teresa Elliott and Judy Ferrand, co-chairs; Joanna Carr, Janet Carter, Dot Fitzgerald, Anja Gillespie, Deborah Guilfoyle, Jackie Hayden, Kristi Ivey, Bill Jordan, C.J. Malson, Leigh Mauldin, Cissy McPhail, Betty Taylor, Rachel Violette, and Steve Zahran. We appreciate all The CARE Clinic volunteers who helped that night. Danny Highsmith again volunteered as emcee thanking our sponsors and guests and highlighting items available at the silent auction.

We would also like to thank Mark Moses and his crew from Carrabba's Italian Grill for the outstanding food in the main room, Scrub Oaks for their delicious appetizers in the Private Tasting Room, John Poulos of Superior Bakery for the tasty rolls, Dale Filley for fruit and desserts, Liz Varnedoe of Bella Villa Italian Restaurant for her yummy desserts, Amblyn Faith for the marvelous mini-cupcakes, Rose Petal's Catering, and Margaret Stanton for their tasty treats, SYSCO Distributors for 30 pounds of cheese, Richard Kugelmann and his FTCC Future Culinarians for assembling the cheese and fruit trays, one of our very talented volunteers for the beautiful dried floral arrangements, Homemakers Furniture for the loan of the large easels, JEB Designs for the Sponsor Plaques and Gordon Johnson Architecture for their always impressive design of our Sponsor Board.

We extend a heart-felt thank you to the sponsors, silent auction donors, committee members and, of course, to all of you wonderful people who support The CARE Clinic by attending our event. Keep coming back and tell all your friends, business associates and co-workers!

Next year's 12th annual "Toast of the Town" has already been booked for the Holiday Inn Bordeaux for Thursday, May 3, 2012. Mark your calendars so you don't miss out on this annual event that keeps getting better each year!

Named Gift Opportunities

Thomas and Elizabeth Wooten have again proven they are wonderful supporters of The CARE Clinic and our Named Gift Opportunities Program. They were the very first donors in this program, choosing one of our exam rooms in April 2008. Recently they returned to sponsor the Panoramic X-Ray area in honor of their parents, Thomas & Lucy Wooten and Allen & Elizabeth Bond.

The CARE Clinic sincerely appreciates Mr. and Mrs. Wooten for choosing our clinic as a way of helping those less fortunate in our community. Because of their generosity, as well as many other benefactors, we now only have seven medical exam and dental rooms left for \$10,000 each. These may be in honor or memory of someone or an individual or business donation from you. Please call the clinic at 485-0555 if you are interested or have any questions.

Sister Jean Board Room Update: The Sister Jean Board Room still needs \$16,205 to reach the goal of \$50,000. If you have been thinking of making a donation in honor of Sister Jean, but just haven't gotten around to it, please consider making a commitment to do so. We would love to see that plaque designating the Sister Jean Board Room on the wall in the clinic! Please help support this program to honor a wonderful person who has blessed us with her guidance in the formation of this clinic and also as our first Executive Director.

Donors for the Sister Jean Board Room since our last newsletter are:

Mr. & Mrs. Stuart Augustine
Diamond Construction
Paul & Roberta Humphries
Ray & Joan Nicholson
Social 25 Club, Members & Friends

Mr. & Mrs. Darl Champion
Dale & Vickie Filley
Fr. John R. Kelly
Peace Presbyterian Church
St Elizabeth Ann Seton Catholic Church

Dr. & Mrs. Richard Chupkowski
Good Shepherd Catholic Church
BG (Ret) & Mrs. Joe Nagel
Player, Inc.
Mr. & Mrs. Harold Sturdivant

Donation forms are available on our website at www.thecareclinic.org/named-gift.php. Thank you for your support of this program!

Board of Directors for FY 2012

The CARE Clinic Board of Directors is pleased to announce the installation of officers for the new fiscal year beginning July 1: Brenda Booth - President, Karen Mantzouris - President-Elect, Walt Swing - Treasurer, and Caroline Whitley - Secretary. Walt Swing also moved to the position of Past President after successfully completing his term as President.

Congratulations and welcome to Vicki Champion, Louis Cox and Anna Haley who are joining us as new members of the Board of Directors and to Joe Nagel and Joe Wunderlich who are returning to the Board. Current Board members who have completed their first three-year term and have agreed to serve another three years are Brenda Booth, Carolyn Lancaster, Cissy McPhail and Bob Tygh. We appreciate your willingness to serve as members of our board and look forward to working together as we strive to fulfill our mission to the community.

We extend our sincere gratitude to Herb Bryan, Brenda Edge, Dale Filley and Brett Johnson who are rotating off the board this year after successfully completing their terms of office. We also bid a reluctant farewell to Darlene Fairley who resigned from the Board for personal reasons. We thank each of you for sharing your time and talents serving as a member of our board. We are grateful for all you have done and continue to do to support the mission of The CARE Clinic.

A Working Board

The CARE Clinic is blessed to have a very involved Board of Directors! Whenever it rained we were having a problem of water pooling in front of our building to the left of the staff entrance. Bob Tygh, Chair of our Facilities Committee, was concerned the water would seep under the building and cause damage to the foundation. The Board discussed installation of a drainage system and approved an amount to have it done. However, when the required estimates came in, our frugal Board members thought they sounded high, so they took on the challenge themselves.

On a hot day in May, Board members Bob Tygh, Jim Kerchmar, and Stuart Augustine, along with a volunteer for the day, Mike Pauldine, dug a drainage ditch from the front walk to the back parking lot. They used a Ditch Witch, hand dug around telephone lines and connected gutter downspouts to the newly laid drainage pipe. Somewhere around the ten hour point into the project, they all came to the conclusion that the commercial firms who had bid on the job had submitted low estimates.

Our sincere thanks go to Bob, Jim, Stuart and Mike for your dedication and hard work on this project. You certainly went above and beyond to help preserve our limited funds for direct patient care expenses.

Seventeenth Annual Golf Tournament

The CARE Clinic golf tournament is scheduled for Friday, October 28, 2011 at Gates Four Golf & Country Club. The tournament format is a Texas Scramble with four-person teams. Lunch and registration starts at 11:30 a.m. with a shotgun start to the tournament at 1:00 p.m. This major fundraiser netted nearly \$29,000 last year to help us in our mission to our community's uninsured adults. We invite you to participate in this wonderful event! If you are not a golfer, but would like to help out, we are in need of sponsors for the tournament expenses, such as catering, greens fees and numerous mailings. We would also appreciate donated items that can be raffled. If you would like to play in the tournament; sponsor a player, one of our brave Ft. Bragg soldiers, or a four-person team; sponsor a hole sign; give a donation; or simply get more detailed information; please contact Gloria at projects@nc.rr.com or go to the golf page on our website at www.thecareclinic.org/golf_tournament.php to download a registration form. Thanks for your support!

Testimonials from our Patients

"A friend told me about this clinic and I probably would go to the Health Department or the ER if there were no CARE Clinic. Your services and treatment were more than I could ask for. You have helped me to be a happier and healthier person and I thank God for you all."

"I heard about you in the Community News in the paper. I would go to the hospital or the Health Department or go without as in the past, if you weren't here. I thank you for your volunteering and respect that is given. The CARE Clinic is needed (another one in the city would be great!) Thank you for caring."

"I heard about The CARE Clinic from my employer. I don't know where I would get care if you weren't here...probably the Health Department or try to work something out with my prior primary care physician when I get really sick. The clinic allows me to receive my blood pressure medicine and to have access to what I feel is excellent quality care that I would not receive otherwise. From my observation, the staff is always helpful and polite with the patients. I feel that they have a sense of caring about my problem and that they really enjoyed the opportunity they were given to help patients in any way they could. You could see the concern they expressed for the patients they helped. This concern and eagerness to help could be seen from interactions with the receptionist, nurses, doctors and pharmacist. I am very thankful that each of them would take time out of their busy schedules to give to my community their gifts that are so needed to those who would otherwise have no access or limited access to much-needed medical care. I thank you very much and say you are greatly appreciated by me and so many others. PS - The hours are great because they allow me the opportunity to leave my job and travel about 2 minutes to the clinic and make it back without a hassle at work. My job doesn't allow much time for doctor visits, so the clinic is very convenient."

"A friend told me about the clinic and I would probably go to the emergency room at the hospital if I didn't come here. My experience here was wonderful and very, very helpful for me. Everyone is great. Thanks!"

"The dentist was very nice and very patient with me. He made me feel comfortable, because I was very nervous and scared of needles. God bless you all and keep up the good work. Your reward will not be forgotten. God bless!"

"Dr. Sheriff told me about The CARE Clinic. If they weren't here, I would have gone nowhere and would have toughed it out as all the years before because of no insurance, not enough money, and being a single parent of two kids. I am paying remedial treatment too. My expectations were met, as they always are. The clinic gives outstanding service and care!! Thanks for everything!! You're the best!!"

"I read about the clinic in the newspaper. My expectations are always met...you are the best! I am very grateful for The CARE Clinic. Ms. Marilyn is wonderful and very nice and friendly. Everyone here is always nice and friendly. Thank you."

"I am very thankful to be able to come here. The CARE Clinic has been a God-send. I went through a rough time, going to college while raising a child. I started having health problems and was told about the clinic by a friend. I came and was treated very good and with much respect. I lost my one and only sister and Katheryn and the staff were so helpful and supportive. I thank the Lord everyday for them."

"I had an incident where I fell and about a year later I started having pain in my arms and lower back along with severe, painful headaches. After seeing a few doctors, many weeks went by and my condition got worse. I was approved for an MRI and it showed exactly why the pain was so severe. I have been coming to The CARE Clinic for over 2 years now. Thank God for the doctors and staff at the clinic. They are some "wonderful" people. May they keep up the good work."

Project Homeless Connect

Operation Inasmuch sponsored Project Homeless Connect again on Thursday, May 20th at First Baptist Church on Moore Street. The annual event gives the local homeless an opportunity to visit with over forty agencies and learn about services available to them in our community. Fort Bragg soldiers in-processed 339 men, women and children who were treated to breakfast and lunch, and had the opportunity to get flu shots or tetanus shots, make an appointment for job counseling with the Employment Security Commission, and were even able to get a haircut if they wanted one. Many also applied for housing, Social Security, or Medicaid. Attendees who completed a sheet verifying they had visited agency display booths received a gift of a new backpack that was loaded with sample size personal hygiene items.

The CARE Clinic's display was manned by Jean Harrison and Cecilia Marks, members of our Community Relations Committee, who passed out information and answered questions about our services. Dr. Henry Izurieta, Board member and volunteer, provided brief medical exams for patients, assisted by volunteers Harold Estes and Angie Anthony. Better Health of Cumberland County made arrangements with one of their partner pharmacies to fill prescriptions for the patients seen. All agencies involved felt our collaborative effort made a great difference in the lives of the patients seen.

Combined Campaigns

The CARE Clinic has been approved for participation in the 2012 (Fall 2011) Combined Federal Campaign. Our permanent designation code is **CFC # 91950**. We greatly appreciate your donations to the clinic and hope that you will plan to help us in this fall's campaign. Please contact us at 485-0555 or care@thecareclinic.org if you need any additional information.

The CARE Clinic has also received approval to participate in this year's State Employees Combined Campaign. We ask you to consider designating **The CARE Clinic # 3746** as the charity of your choice if you are a state employee.

Health Reform Analysis

As with many of you, we continue to follow reports about the expected impact of the Patient Protection and Affordable Care Act (ACA). In a report released in March, the Robert Wood Johnson Foundation analyzed the likely composition of who will remain uninsured. Their findings state:

- The ACA would reduce the number of nonelderly people without health insurance by 28 million, from 18.9 to 8.7%.
- The 19 million nonelderly adults who would still be uninsured under ACA can be divided into five groups:
 - o Thirty-seven percent, mostly young singles without dependents would be eligible for Medicaid, but not enrolled.
 - o Twenty-five percent would be undocumented immigrants.
 - o Sixteen percent would be exempt from the individual mandate because they would not have an affordable insurance option.
 - o Eight percent would be eligible for affordable subsidized coverage. These would be mostly younger singles without dependents.
 - o The remaining uninsured adults would likely be subject to the mandate. These are mostly higher income families with dependents.

With your support, The CARE Clinic will continue our commitment to provide free health care services to low-income uninsured adults in our community, now and for years to come.
