DR. C.T. DANIEL HONORED

L-R, Libby Daniel, Joan Heintz, Dr. Richard Daniel, Jackie Daniel, Mrs. Joan Daniel

Dr. C.T. Daniel had a real passion for helping less fortunate people and was instrumental in helping to establish The CARE Clinic. He joined the free clinic steering committee in 1992 and spent much of his free time increasing community awareness of the clinic's mission by speaking to churches and civic groups to solicit their support. Even as his health began to decline, Dr. Daniel remained involved recruiting physicians to volunteer their services, attending indigent care conferences, and volunteering at special events.

In recognition of his active involvement with our clinic, Mrs. Joan Daniel and her family have chosen to sponsor an exam room in memory of Dr. C.T. Daniel. We are thrilled to have a lasting tribute to Dr. Daniel in our new clinic and we appreciate the Daniel family's generosity in supporting the mission of The CARE Clinic.

FATHER "K" MEMORIALIZED

Father Corbin Ketchersid, former pastor of St. Elizabeth Ann Seton Catholic Church, was a strong supporter of The CARE Clinic's mission in the early days while we were still struggling to become established. Not only did he encourage his congregation to financially support the clinic, he often volunteered his time to do whatever needed to be done. Volunteers who have been with the clinic a long time still talk about the time Father K drove the bulldozer to tear down an old warehouse on the property to make way for a new board room.

In recognition of all the time and dedication he gave the clinic, Mrs. Mary Neral has chosen to sponsor the Work Room in our new building in memory of her brother, Father "K". We are honored Mrs. Neral

LEADERSHIP AWARD

L-R Front: Elizabeth Dickerson, Mollie Boles, Joey Boles Back: Ashley Dickerson and Dan Copeland

Joseph Boles, President of The CARE Clinic Board of Directors, was presented with Cumberland Community Foundation's prestigious Nonprofit Leadership Award at the Foundation's Nonprofit Awareness Month Reception on November 21st. The Leadership award was created by the Foundation in 2003 to recognize, encourage, and reward extraordinary nonprofit leadership by a board member.

Mr. Boles is definitely an extraordinary board member. Despite his busy schedule as a business owner, Joey believes in giving back to his community, and not just by writing a check. When he becomes involved with an organization, Joey generously offers his time, talents and treasure without expecting any recognition for his efforts. He began his service to The CARE Clinic in July 2002 and has remained active and involved since that time. Joey suggested and sponsored our first souvenir wine glass at our Wine Tasting in 2004 and his family not only sponsored but personally catered our Volunteer Appreciation Dinner for three years. He has served as Chair of the Development Committee, President of the Board in FY 2005-06, on the Facilities Committee during the crucial period of planning and building the new clinic, and is currently serving his second term as President. In addition to sharing his own gifts, he is one of our strongest advocates and uses the contacts he has developed as a life-long member of this community to benefit our clinic.

Mr. Boles believes passionately in the work of The CARE Clinic. To quote him, "Most of these (patients) are working class people. They just need a break. If we can change one person's life for the better or save one person's life, everything that we've done with the clinic has been worthwhile."

We are honored to have Joey Boles as a member of our Board of Directors and appreciate Cumberland Community Foundation recognizing him with their Nonprofit Leadership Award. The award included a \$1,000 grant from the Foundation for The CARE Clinic to spend on staff training or board development.

MILITARY ASSISTANCE

For over ten years The CARE Clinic has been privileged to serve as a clinical rotation site for third year Family Practice Residents from Womack Army Medical Center. Every Tuesday night a resident from Womack is assigned to work with one of our volunteer physicians helping treat CARE Clinic patients. The agreement has been mutually beneficial in that it increases the number of physicians available to staff the clinic while providing the residents with a valuable community health experience.

We are pleased to announce we have a new agreement with Womack to have their Oral and Maxillofacial Surgery residents staff our dental clinic

one day each month for a four year period. Dr. Jeffrey Almony, an instructor in the program, has been volunteering with the clinic since 2005. He recognized the type of patient seen at The CARE Clinic could provide an important dimension to his residents' training, so he took the initiative and formalized the arrangement. As of October 28th, the residents and their instructors have been staffing our dental clinic the fourth Tuesday of the month.

We are deeply grateful to Dr. Almony for his commitment to serving our patients and appreciate Womack Army Medical Center's partnership in our mission.

Partnership with Habitat for Humanity

The Fayetteville Area Habitat for Humanity requires homeowners to contribute 400 hours of "sweat equity" towards the purchase of their new home. Since some of their homeowners are physically unable to help build their home, Habitat for Humanity has approved a limited number of other organizations where their homeowners can volunteer their time to satisfy this requirement. The CARE Clinic has agreed to serve as one of these sites. One future homeowner who is volunteering as a receptionist in our evening clinics says *"I feel very blessed and appreciate the opportunity The CARE Clinic has given me to complete my required hours volunteering for such a wonderful organization."*

Panoramic Dental X-Rays

The CARE Clinic is the proud recipient of a panoramic x-ray unit, generously donated by Dr. J. Michael Ruff. Although we had not planned for this equipment when we were designing our building, we were able to find an area that could accommodate the installation and operation of the unit. All we needed to do was to get an electric outlet installed and run the cables for the control unit, a relatively minor adjustment to add a great benefit for our patients.

With the panoramic x-ray we are able to quickly take full mouth x-rays. This allows our Dental Assistants to get x-rays on wisdom teeth easier and is beneficial for patients who may be returning to have more teeth pulled. We are excited to offer this new service to our volunteer dentists and our patients, and we appreciate Dr. Ruff's generous donation.

Operation Inasmuch

Snyder Memorial Baptist Church again blessed The CARE Clinic with their dedicated volunteers during Operation Inasmuch. On Saturday, October 25th, volunteers planted bushes and spread mulch in the beds across the front of our building and along the walkway at the patient entrance to the clinic. The beautiful landscaping makes us look much more settled and puts a finishing touch on our new building. Other volunteers at Snyder made "reindeer bags", brown bags cut out and decorated to look like reindeer and filled with candy. The bags were given to patients seen at our clinic in December. Thank you to Snyder Memorial Baptist Church for your continuing support of our mission.

A LIFE CHANGING EXPERIENCE

Robert, 24, has lived with a growth on his neck for most of his life. Although it had grown to the point he had trouble swallowing and suffered constant pain in his neck and shoulder, Robert had little hope of finding relief because he has no health insurance. Then he made an appointment at The CARE Clinic to have a tooth pulled, and his life was changed forever.

Our Clinical Director, Katheryn Jenifer, saw his neck and had him seen by the volunteer military physician on duty, Dr. Blackwell. Robert was sent for an ultrasound and biopsy. Dr. Blackwell, Ms. Jenifer, and Ms. Ginny, a volunteer social worker,

persevered until they were able to arrange for Robert to have surgery for a hyperactive thyroid and goiter.

A week after the surgery, Robert came by to thank everyone involved with the clinic for changing his life. He says he can't stop looking in the mirror to admire his neck, and he is eating anything and everything now that he can swallow again. He has a new found enthusiasm about life and is looking forward to doing his favorite things..."cooking and eating". Robert shared that when he wins the lottery, he is coming to The CARE Clinic first.

You're invited because you CARE!

2008 Holiday Card Donations

The CARE Clinic receives donations during the Christmas season from businesses and individuals in honor or memory of a friend or loved one. These donations are given as alternatives to traditional gifts for the holiday for business associates, clients, pastors, friends and family. Holiday acknowledgment cards are sent out from the clinic. This year **102** Memorial Cards and **431** Honoraria Cards

were sent out. The CARE Clinic is the grateful recipient of these thoughtful gifts and has received donations of **\$9,492** this past holiday season from the people listed below! This is an increase of over \$2,000 from last year's program! Our gracious thanks to them for choosing such a wonderful alternative to traditional holiday gift giving. We appreciate your support!
